

JEWISH CAMPAIGN
RESUMED TODAYThree Days Left to Raise
\$50,000 Relief Fund
in D. C.

\$50,000 MORE NEEDED

If you have not subscribed to the fund for the relief of starving Jews, mail the coupon printed below to the local fund's treasurer, R. B. H. Lyon, 701 Evans building:

Name _____
Address _____
Amount _____

The Jewish relief committee, in the next three days, will make every effort to complete Washington's quota of \$50,000 for the national fund in the interests of the starving hordes in devastated Europe. The campaign for the fund will close in that time, and the teams of workers, after a day's rest, went to work with energy this morning.

A meeting was held at 10:30 o'clock by the team captains at the office of Simon Lyon, chairman of the local committee. Plans were laid to aid the workers in obtaining the \$50,000 needed to make up the fund-dollar record, as well as large, to make up this fund, it was said.

Monthly Payments Urged.

Particular emphasis was laid by Chairman Lyon on the plan of making pledges which may be fulfilled in two or three monthly payments. With the holidays over, the women who have been soliciting subscriptions at theaters, hotels and department stores in the National Capital believe they will be able, possibly, to double the one-thousand-dollar record thus far achieved by them.

A good many checks were received by Mr. Lyon yesterday. Coming as they did on New Year's day, their receipt naturally had an encouraging effect on the workers.

Especially gratifying has been the returns obtained from the coupon publicity given by the newspapers.

Active Work to Continue.

There will be no special events planned during the next three days of the campaign. Instead there will be waged a persistent campaign of active soliciting in the downtown district and those sections which have not as yet been fully gone over.

Flowers for the Sick.

IN BRIEF
Reports of two thefts committed at 1114 11th street were made to police at the second precinct last night. A purse containing \$885 and a check for \$10 disappeared from the apartment of Daisy B. Miller. The purse and check were found, but the money was missing. Miss Vernon T. Bentley said her purse, containing \$6, was stolen.

A building owned by Samuel Phillips, 1324 5th street, yesterday afternoon attacked and hit Ralph Beall, seven years old, 1308 8th street, about his legs. The child was in front of Phillips' home when the animal attacked him. He was taken home and attended by a physician.

An undashed ten-dollar bill, probably one of the bills stolen from the bureau of engraving and printing several weeks ago, was passed at the store of John Doonin, 1314 14th street, yesterday afternoon by a young colored man. An unsuccessful attempt was made to pass a similar bill at 1924 14th street a few minutes later. Police are searching for the unidentified colored man, who is described as having light skin, about twenty-five years old and wearing a brown suit and overcoat.

"America's Answer," the popular war film, will be shown at the annual meeting of the McKinley Manual Training School in the auditorium tonight at 8:15 o'clock. All Tech people, with their friends, are invited. Dancing and refreshments will follow the entertainment.

Mrs. Emily Newell Blair is to address the League of American Pen Women tomorrow afternoon at 8 o'clock at headquarters, 1623 H street, on "After-the-War Literature." Miss Pick Rock will sing.

Declaring that the dry condition at Washington has not prevented her husband from getting whiskey, and that, although placed on probation in Police Court Christmas day for a charge of drunkenness, he forgot his promise the same day and beat and choked her, Mrs. Alice A. Schirer has filed suit in the District Supreme Court for a limited divorce from Robert P. Schirer. They formerly resided at Rockville, Md., where they were married in June, 1893, and came to Washington in 1916. The wife charges that her husband has also threatened her life. There are no children.

The Thrift Race of the World Congress, now in session at the 12th street branch of the Y. M. C. A., is to be addressed tonight at 8 o'clock by H. E. Bryant, chairman of the congress; Miss Nannie H. Burroughs, president of the national training school for women and girls, and Hubert H. Harrison of New York, editor of the Voice.
